Acceptance Notification (**extended**):

~~May 15, 2024~~ **July 15th, 2024**

IECON 2024 is the 50th Annual Conference of the IEEE Industrial Electronics Society (IES), focusing on contemporary industry topics ranging from power electronics, power systems, controls, manufacturing, to computational intelligence and communications. IECON is the flagship annual conference of IES. It aims to create a forum for scientists and practicing engineers throughout the world to present the latest research findings and ideas in the areas of Industrial Electronics, and possible contributions toward sustainable development and environment preservation. The objectives of the conference are to provide high quality research and professional interactions for the advancement of science, technology, and fellowship. **Join us to celebrate the 50th anniversary of IECON!**

Panel Sessions: We are excited to announce the Call for Panel Proposals for IECON 2024. As one of the most prestigious gatherings in the field, we invite experts and thought leaders to participate by proposing engaging and insightful panel discussions that address cutting-edge topics in industry and academia.

Submission Deadline: Please submit all related materials via email on the address panels@iecon-2024.org no later than **April 15, 2024**, with potential revisions requested before the conference.

Submission Guidelines: Panel proposals should include the following (as mentioned in the MS word template):

1. Title of the Proposal.
2. Technical Description (Up to 350 words).
3. Panelists' Information: Name, affiliations, contact information and short biographies (150 words max. per panelist).
4. Moderator.
5. Duration: 75-minutes panel discussion followed by 15 minutes for Q&A.
6. Any other Relevant Information.

Call for Panel Sessions

Panel session format: Different session formats are solicited such as:

1. Formal presentations,
2. Informal talks with or without slides,
3. Full Q&A panel,
4. Debate,
5. Other creative or hybrid styles.

Requirements for Panelists and Moderators:

1. All panelists and moderators should attend the conference in-person.
2. Promotional or commercial discussions are not allowed unless to have permission from conference organizers.
3. Free to use your own slide presentation template with including 50th IEEE IECON logo in all your slides.
4. Provide written panel logistics, speaker order, and discussion flow in your submission. The date and time for your panel will be determined by the organizing committee.

Panel Proposal Evaluation Criteria:

- Originality and innovation.
- Significant industry involvement.
- Industrial application oriented.
- Collaborative cross-disciplinary topics or teams.
- Creativity, clarity and quality of the panel proposal.
- Follow the conference technical scopes.

Panel Proposal Submission:

Please send your Panel proposals via e-mail on panels@iecon-2024.org. Panel session proposals will be accepted from November 1, 2023 until the April 15, 2024.

Thank you for your interest and participation. We look forward to receiving your panel proposals and seeing you at IECON 2024, here in Chicago.

For questions and additional information, please feel free to contact us at panels@iecon-2024.org.
