

# ANNUAL CONFERENCE OF THE IEEE INDUSTRIAL ELECTRONICS SOCIETY

Chicago | Illinois, November 3-6, 2024

## CAREER FAIR

Are you ready to find your “Dream Job”?

November 4<sup>th</sup>, 2024  
2.00 PM to 5.00 PM

Location: Exhibit Hall

### At the CAREER FAIR:

- Brief interaction with a technical recruiter or hiring manager.
- A more extensive interview featuring technical questions.
- Engage in discussions with HR representatives.
- Possibility of receiving a job offer extension!

### Tips to Prepare:

- Ensure you bring multiple printed copies of your updated resume.
- Cultivate a strong online presence across platforms like LinkedIn, Google Scholar, or personal websites.
- Conduct thorough research on companies you're interested in.
- Be prepared to discuss your research and ask insightful questions.
- Dress professionally to make a lasting impression; arrive early!
- Expand your network and understand networking best practices.
- Organize physical and/or virtual business cards.
